

The **International Cooperative and Mutual Insurance Federation (ICMIF)** represents the cooperative and mutual insurance sector.

ICMIF aims to promote and work with the **cooperative** and **mutual** insurance sector globally by providing valuable, cutting-edge information and services to members and by representing the interests of the global cooperative and mutual insurance sector.

Since 2007, the mutual and cooperative model has been the fastest-growing part of the global insurance market; maturing from a global market share of **24.0%** to **26.8%** in 2016.

The mutual and cooperative insurance sector in 2016:

USD **1.3** trillion in premium income

26.8% share of the global insurance market

USD **8.3** trillion in total assets

1.1 million people employed by mutual/cooperative insurers
