Co-operators Overview

Purpose

Financial security for Canadians and our communities.

Vision

We will be a catalyst for a resilient and sustainable society.

Values

Our co-operative identity comes to life through our values:

Responsibility

We balance our care for society and the environment with our business success.

Integrity

We treat all our members, clients, employees, advisors, and partners with honesty and respect.

Inclusion

We achieve success by embracing the diversity of all Canadians.

Guidewire Overview

P&C Insurance platform

540+ P&C insurers

20%+ Global DWP in 40 countries

\$250M Annual R&D

200+ Technology Partners

Today's Objective

To share our journey to the Guidewire cloud and the valuable lessons we learned along the way

Where We Were

**On Version
7**

Behind peers
(95% of
Guidewire clients
were ahead of us)

**12 Years Out
of Date**

**Unable to
keep up with
business
demands**

How We Started

**Business
Buy-In**

**Solid Business
Case**

**Industry
Peers**

**Planned
Approach -
Technical
Upgrade vs. a
Redesign**

Valuable Insights

**Co-operators
Senior Executive
Support**

**Detailed
inception**

**Program
management**

**Partnerships
(internal and
external)**

Valuable Insights, cont'd.

**Business
Stakeholder
Communication**

**Testing, Testing,
Testing**

**System
Performance
testing**

**Environment
Management**

Valuable Insights, cont'd.

Where Are We Now

Jan
2023

**On Version
7**

Behind peers
(95% of
Guidewire clients
were ahead of us)

**12 Years Out
of Date**

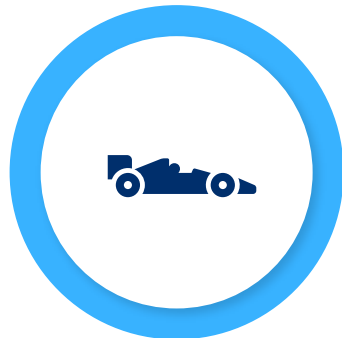

**Unable to
keep up with
business
demands**

Today

On Hakuba

**Top 20% of
Guidewire
clients**

**Annual
updates to
stay current**

**Quickly
respond to
business
demands**

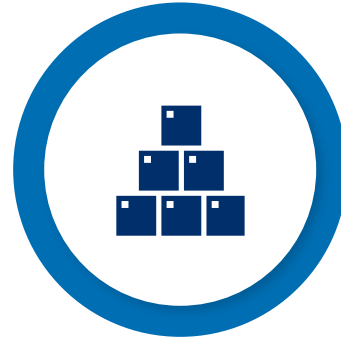

Where We're Going

**ClaimCenter
to Cloud**

**Innovation with
Advanced Product
Designer**

**Using GW
Cloud APIs**
